Sammy the Squirrel invites you to save with Polk County Bank as a member of the Mighty Oaks Kid's Club

I learned at a young age from the advice of my parents to be a thrifty squirrel and to save for the future. My friends at Polk County Bank also believe in the importance of developing good saving habits so that as you grow, your money does too. That's why Polk County Bank started the Mighty Oaks Kid's Club. It's a special club for kids up to the age of sixteen who have a Kid's Club savings account at the bank.

As a member of the Mighty Oaks Kid's Club not only do you learn about how to save your money, you also receive prizes as a reward for making deposits to your Polk County Bank savings account.

Saving has never been so much fun. So stop by today. Tell them your friend Sammy sent you.
