Polk County Bank is a ChildServe Partner for the 14<sup>th</sup> Annual Golf Fore the Kids Event

Johnston, IA (September 11, 2007) – Mary Miller, Vice President of Customer Service for Polk County Bank is pleased to announce the bank’s partner sponsorship for the 14<sup>th</sup> Annual Golf Fore the Kids. “As a former teacher, I am particularly sensitive to special needs of the wonderful children and teens that ChildServe touches. With support from the community, outreach dollars and care will reach these deserving children. I am thrilled to participate in the tournament and to provide support,” said Mary.

The event will be held at Echo Valley Country Club on September 17, 2007. **Funds raised during the event will make a difference in providing life-enhancing opportunities for children with special health care needs.**

For instance, a teenager who desperately wants to fit in, will have a wheelchair that fits his six-foot frame and a young girl who needs a hearing aid but her family has no resources will have the opportunity to hear.
